

Woodridge North State School

2017 Booklist Requirements Year 4 Laptop

Quality stationery lasts longer. Save money on replacement items by buying good quality school supplies.

As discussed at the parent information session, students will use their laptops to complete a large portion of the Year 4 curriculum. They will also engage in many 'traditional' reading, writing and maths activities and thus will require some stationery. Below is the list of items to be purchased. It includes a reduced number of books and other items compared to the other Year 4 class. If you have any questions regarding the booklist or the 1 to 1 laptop program in general, please don't hesitate to contact Emina Avdic by phone (3380 6333) or email eavdi2@eq.edu.au.
